OPERATION Hug-A-Hero™

A nonprofit organization that provides **Hug-A-Hero™** dolls FREE to military children who have lost a parent in the line of duty or who can't afford one. The donated funds go toward the manufacturing and delivery of the dolls to children in need, worldwide.

Operation Hug-A-Hero™ has donated thousands of dolls to the sons and daughters of our military heroes.

FWSF has helped many military men and women and their families with contributions from those that know freedom is not free. In most situations families came to the FWSF when there was nowhere else to turn. From tuition to clothing, from cash contributions to help our heroes pay their mortgages, to air fare for families to visit their wounded loved ones in out of state hospitals, **the FWSF was there, with you, making it happen.** FWSF also works with the Patriot Guard and other veteran's groups to get assistance for our troops. www.fwsf.org
