

## TIRED OF THE ROAD CONDITIONS?

### HERE IS WHAT YOU DO!

The City of Walled Lake has no control over the County roads in our jurisdiction. The repair and maintenance of Pontiac Trail and Maple Road fall to the Oakland County Road Commission. Please contact them at 877-858-4804 or visit their website at [www.rcocweb.org](http://www.rcocweb.org) to voice your concerns.

You may also want to contact our County Commissioner Philip Weipert at 248-858-0100 or [weipertpj@oakgov.com](mailto:weipertpj@oakgov.com).

Thank you!
