Announces Walled Lake Road Improvements Slated for 2012

(Pontiac, Michigan)--- Oakland County Commissioner Philip Weipert (R-representing cities of South Lyon, Novi, Walled Lake, Wixom and the Lyon Township in District#8) announces road reconstruction for the roads in and around the Pontiac Trail and West Maple intersections have been scheduled a year earlier from 2013 to 2012 in Walled Lake.

An estimated \$2.3 million has been allocated for the Pontiac Trail and West Maple road reconstruction project in federal funds for these federally-aid eligible roads.

“After getting the good news from the Road Commission for Oakland County, I wanted to share this information with the community. The Road Commission for Oakland County will be providing more details regarding the project,” stated Commissioner Weipert.
